

CRM4000

Turn Your Coins into Cash

Introducing the all new CRM4000 coin depositing kiosk.

Add profit to your business by providing a quick and simple solution for customers to exchange their coins for cash!

CRM4000 features a 10.2" LCD with touch-screen and allows for custom advertising.

The coin depositor accepts up to 600 mixed coins per minute and stores 24,000 coins in a secure rolling storage cart.
